

YMCA OF GREENWICH RUNNING START PROGRAM PROGRAM OVERVIEW

Running Start is a program aimed at providing local school children with the opportunity to go back-to-school clothes shopping. This program is directly aligned with the YMCA of Greenwich's commitment to nurture the potential of every child and teen.

This program serves children entering Kindergarten through 5th grade, providing them with clothing, shoes, school supplies, and backpacks so they can begin the new school year with confidence.

Each child is paired with a volunteer from the community for a special night of back-to-school shopping at Kohl's. Before they go shopping, they enjoy a pizza party at the Y with other children and parents participating in the program, as well as the volunteer they will spend the night with.
