FINANCIAL AID INFORMATION

Please read the following information carefully to ensure your application is reviewed:

- We begin accepting financial aid applications on February 1, 2025.
- Do not register your child online if you need financial aid. Registering your child for a specific week of camp before scholarships are awarded will not guarantee funding assistance for that specific week (regardless of the status of your scholarship application). Registering for camp before you have heard from the financial aid committee is not necessary and it does not increase the chances of receiving a scholarship.
- The camp scholarship program is solely based on financial need. The more specific you can be about your financial situation and/or need for financial aid, the quicker the financial aid committee will be able to evaluate your application.
- Limited funds are available. Scholarships are awarded in various amounts; not all aid is equivalent to full camp fees.
- Scholarship requests will be reviewed by the financial aid committee and camp leadership team. Information is confidential and is treated as such. After review, scholarship recipients will be notified via email and must accept the scholarship award to proceed with registering for camp. Once a scholarship is accepted, participant is responsible for creating ActiveNet account before registering for camp. Discounts will automatically be applied at online check out.
- Be sure to fill out the application in its entirety. Applications missing information and supplemental financial documents will not be reviewed. You must specify weeks of attendance and extended care needs on the application.
- 1 of the following income documents is required to complete the financial aid application:
 - 1040 Federal Tax Forms Page (Do NOT submit all tax pages, just the 1040)
 - 3 months of bank statements
 - 3 months of pay stubs
 - Letter from employer (containing monthly salary, length of employment, employer's full name & phone number)
 - Confirmation of unemployment
- Camp scholarships are to a specific individual and are not transferable to other youths.
- Scholarships cannot be combined with any other offers or discounts.
- Payment plans are available upon request and must be indicated on the application form. Payment plans are only available February 1 – June 1, 2025. All camp fees are due by June 20, 2025, all registration fees after this date must be paid in full. Depending on registration date, payments can be split between the following dates ONLY: March, April 1, May 1 and/or June 1. Campers with unpaid balances after June 20, 2025 will not be permitted to attend camp until all balances are paid.
